Building Product Information Requirements (BPIR) Statement for:

Total Tactilez Brass tactiles

Product description

Total Tactilez's range of Brass tactiles is designed for use with various flooring applications. These products are ideal for both retrofitting and installing new onto floors, offering a combination of safety, durability, and aesthetic appeal. The tactiles are versatile, suitable for both internal and external floors, and comply with key New Zealand accessibility and safety standards.

Performance and compliance:

- NZS 4121:2001 – Design for Access and Mobility: Buildings and Associated Facilities, ensuring accessibility for all.
- AS/NZS 1428.4.1:2009 – Tactile Ground Surface Indicators (TGSIs), improving safety and navigation for vision-impaired individuals.

Materials and finishes:

Profile: Total Tactilez brass tactiles are made from high-quality solid brass.

Inserts / finishes

1. **Concentric circle finish:** **P3 slip resistance test.**
 - a. Made of solid brass, these tactile feature concentric rings to increase slip resistance. The solid brass tactiles are the most luxurious tactile studs available.
2. **Carborundum inserts:** **P5 slip resistance test.**
 - a. Designed for maximum slip resistance, these inserts are ideal for areas requiring extra traction and durability. Available in black, grey, yellow and luminescent.

4. Installation requirements:

The tactiles are designed for straightforward installation. We suggest installation is undertaken by our nationwide team to ensure a perfect finish.

5. Maintenance and durability:

Total Tactilez tactiles are designed for long-term durability. A proactive maintenance program is recommended to preserve the product's safety features and aesthetic appearance.

Detailed records of installation and maintenance are advised for transparency and verification, ensuring ongoing compliance with safety standards.

6. Environmental and sustainability considerations:

The brass used in Total Tactilez tactiles is recyclable, contributing to sustainable building practices. The products' long lifespan also reduces the need for frequent replacements, further minimizing environmental impact.

7. Availability and support:

Total Tactilez tactiles are available with full support for installation and maintenance. Contact us at 0800 822 845 or info@totaltactilez.co.nz for product inquiries and support.

8. Warranty:

Total Tactilez offers a five-year comprehensive warranty on our tactiles, covering defects in materials and workmanship under normal use and conditions. Specific warranty terms can be provided upon request.
